Maffra Secondary College strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff. For staff, this policy should be read alongside the Department of Education and Training's [Respectful Workplaces](#) policies (including [Equal Opportunity and Anti-Discrimination](#) , [Sexual Harassment](#) and [Workplace Bullying](#)) as these whole of Department policies apply to all staff at Maffra Secondary College.

Inclusion and diversity

Maffra Secondary College is a stand-alone years 7-12 rural college with an enrolment of around 560 students from a range of socio-economic and cultural backgrounds. The majority of our students travel to and from school via school bus from the surrounding farming communities and nearby small towns.

Maffra Secondary College is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Maffra Secondary College acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Maffra Secondary College we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Maffra Secondary College will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts, formals, school camps and excursions) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Our commitment to inclusion and diversity is shown by the range of school wide programs and student lead initiatives that promote inclusion and diversity. We are a lead school for Respectful Relationships and this is embedded into our curriculum across years 7-12. We encourage diversity through organizing international and interstate camps, and having guest presenters share their stories with students. Student leaders organize activities to raise awareness of societal issues and encourage engagement in activities that promote inclusion. The Wellbeing team and Positive Climate committee evaluate the effectiveness of these programs and initiatives.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Maffra Secondary College. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying Prevention* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Students that are involved in bullying or harassing others on the basis of their personal attributes will be supported to understand the impact of their behaviour.

Reasonable adjustments for students with disabilities

Maffra Secondary College also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please refer to our *Student Wellbeing and Engagement* policy or contact the Program for Students with Disabilities (PSD) Coordinator for further information.
